**JUDGES' DECISION ANGERS WESTERNERS**

Laura Hunter, Heavily Backed at Short Price, Is Disqualified in Favor of Clarendon, on Whom Easterners Plumped.

**REPRINTING SPECIAL**

New Orleans, La., Feb. 5.—The disqualification of Laura Hunter, winner of the last race, has caused more discussion than anything which has happened thus far at the meeting. Laura Hunter was one of a pair of "good things" in the race. She was backed into favoritism, and the other, Clarendon, was backed to 4 to 1 after as good as 10 to 1 was offered at the opening.

That Laura Hunter favored Clarendon was beyond question. That the tool was deliberate was the opinion of the stewards and of a big part of those who witnessed the affair. But there was no lack of criticism of the ruling, just the same, because in other respects the opposite was the going going as fast as it was today, and it was long enough, probably, to make a greater difference than any race ever can be. In which the point had been seen clearly, however, was that the Western crowd, Clarendon was one of the principal supporters of the decision.

Laura Hunter was on back and the race given to Clarendon. It made a difference in all that.

The result was the occasion of interest outside the terrible storm. The track was a mess, sticks, mud, and it was later of the horses' fault for the race to proceed. The race was started by having a big race on Garrett Wilson, which won all the way. Hunter, and the others which got all the customers out of the running, won the second at a price.

It seems from a report in the weekly edition of *Florida Watch* in the third and Bellwood won the fourth race in a gallop from Sarah Maxim. No one "disqualified" home in from Bellwood in the fifth.
